SUPERIOR POOL OR SNOOKER TABLE LIGHTING

Each of the 4 metal shades has a diameter of 37cms (15") they are bright white inside to reflect the correct amount of light for enhancing your game.

Full 12 month guarantee.

Will light up and compliment your table and help you see the balls more clearly therefore helping to improve your play.

These lights will be an asset to any room with their smart and attractive appearance.

The shades take 4 X 75 Watt bulbs or (low energy bulbs, 15watt recommended, not supplied).
