ZENTO Break & Jump Tip

The secret of the Jumps and Breaks is located in the tip.

ZENTO offers you

- * The ZENTO Tip is not Phenolic Tip.
- * The ZENTO Tip reduces poor contact to a minimum, the chalk holds excellent and Jumps + Breaks come up with a remarkable result!
- * The ZENTO Tip offers the opportunity to spin the white ball to play. Thus, you can perform jumps even with Effet!
- * The ZENTO tips can be installed with the most composite adhesives.

* The ZENTO Tip is easy to install with a basic shaper.
However, if you have no experience with it, you should leave this to a professional.

* The radius, you can easily fit with the tip shaper.

* The ZENTO Tip is absolutely harmless for the balls.

So if you currently own a Jump Cue or Break Cue, which not the performance has as you would like, you do not need a new cue but the right tip - the ZENTO
