Tip Version: Hard

Navigator Blue Impact HARD SNOOKER Cue Tip Navigator tips are laminated in a specialized method and using customized adhesive which will not affect the leathers hardness. Navigator are treated with their original liquid on every layer to achieve longer bite on cue ball. Also with the aid of the hi-density premium pig leather compared to other layered leather tip, hitting feedback and sounds are tremendously firm n crisp, lowest miscue rate and will not harden. Come from Japan, the Navigator layered tip consists of 100% Japanese pig skin leather. Navigator introduce a whole new perspective on cue tips, with color dyed layers which when combined will create tips that not only hit well but also look great **Layered Tip**: 11 Layer Tip **Leather Type**: Japanese Pig Skin **Size**: 11mm **Tip Hardness**: HARD **Tip Type**: Snooker Play Tip
