### Meucci Pro Shaft

The shafts come from Meucci Cues from the USA where they are made.

The Meucci Pro Shaft has a 14 "Pro Taper and a diameter of 12.5mm on the ferrule.

The leather is the UltraSkin Medium Tip.

Thread type is the 5 / 16x18 system which Meucci uses on all models.

An actual LD shaft with really great results in the effect effect game

**Shaft Type:** Meucci Pro **Joint Type:** 5/16x18 **Beauty Ring:** Black Collar **Cue Tip:** UltraSkin Medium **Shaft Diameter:** 12.5mm **Shaft Length:** 29,0 Inch  
**Shaft Taper:** Pro Taper Bob says: This shaft is as low effective deflection as the Z2 by Predator but is a full 12.5 millimeters with a full 14" Pro Taper like all standard Meucci Cues. According to many top players who have tested this shaft "it is the best playing cue I've ever hit a ball with". The Meucci Pro Series shaft is constructed from a single solid piece of hard rock maple harvested from trees grown right here in the United States of America. If you are trying to enhance your skills on the table, this remarkable shaft is the only shaft you will ever want or need.
