interior provides protection for your cues. Ca: **CALL FOR ORDERS SERVICES 49 151 585 085 43**

compartment has jump handle side compartment. Completed with nice adjustable padded shoulder strap with clip fasteners. Cues have to be loaded with the joint up on both butts and shafts.

- The nylon is 1250D with a waterproof backing.
- It's elegant, scratch resistant and very tough.
- All of the stress points are reinforced with genuine leather which adds to the beauty but more importantly makes the case very strong where it's important.
- The interior is JB's UltraPad model which holds the cues snugly and securely.
- The bottom has JB's strong rubber pad imprinted with their logo.
- The shoulder strap has a non-slip rubber grip.
- The lower pocket has an extra space for up to a 14" jump cue handle.
- These cases are also very light due to the nylon being light but tough.
- Ultimates come with a top handle and third pocket.
