In addition to the ebony-colored tips above the handle, the striking white and black decorative rings in the lower part and matching on the black joint are impressive. The upper part is connected by a secure 3/8-6 Quick Lock Steel thread. In addition to the visual highlight, the Robertson cue also guarantees top playing quality and meets all the requirements for successful playing at the highest level. Each cue is delivered with an original Robertson thread protector. Upper part: North American maple wood 13 mm multi-layer leather Lower part: Quick release fastener Silver-plated decorative rings Irish linen grip tape Weight: 19.5OZ. (approx. 550g)
