### Cueroc CR-B01 Ebony

The Cueroc CR-B01 is a cue of understated elegance and professional-grade performance. Measuring 59 inches in length and weighing between 19 to 20 ounces, it features a deep, rich Dymond Ebony forearm and butt sleeve, each detailed with eight striking White Juma spliced points for a clean and classic visual contrast. The 12.80mm wood shaft offers consistent feel and accuracy, while the silver alloy diamond ringwork adds a refined, contemporary
