Introducing the new Viking KY0104 Kayano Series Play Cue, offering a comfortable feel with the new thinner butt diameter design, paired with vibrant new stain colors and designs. Plus, each cue comes with a free upgrade to the exclusive Vikore Performance Shaft, known for its extreme control and accuracy. With 9 to 11 turnings over 18 to 24 months, the ViKORE Hard Rock Maple shaft has been aged for 5 years, ensuring top-notch quality. The double pressed Irish linen wrap adds an elegant touch, while the Viking SUPER Ferrule and Tiger Everest Laminated Leather Tip provide superior performance. Change your game with the Viking Kayano Series Play Cue.
