and padded interior provides protection for your cues. The bottom compartment has jump handle side compartment. Completed with nice adjustable padded shoulder strap with clip fasteners. Cues have to be loaded with the joint up on both butts and shafts.

- The nylon is 1250D with a waterproof backing.
- It's elegant, scratch resistant and very tough.
- All of the stress points are reinforced with genuine leather which adds to the beauty but more importantly makes the case very strong where it's important.
- The interior is JB's UltraPad model which holds the cues snugly and securely.
- The bottom has JB's strong rubber pad imprinted with their logo.
- The shoulder strap has a non-slip rubber grip.
- The lower pocket has an extra space for up to a 14" jump cue handle.
- These cases are also very light due to the nylon being light but tough.
- Ultimates come with a top handle and third pocket.
