Simonis stands for generations for superior q
class weave structure ensures greater accuracy and consistency. The balls roll on it very precise and fast. The insensitivity of the material to grooves and depressions makes it the best possible surface for playing and guarantees long-lasting enjoyment of the game.

Width: 165 cm
Composition: 90% wool, 10% nylon, approx. 410g / m²
Processing: worsted fabric
Rolling speed: fast (slightly slower than Simonis 760)
Price per meter
The cloth with a roll width of 165 cm is suitable for 7, 8 and 9 feet tables!

We recommend the following cloth dimensions to obtain a pool table including cushions:

7 feet: min. 2.30 meters (recommended 3.00m)
8 feet: min. 2.90 meters (minimum of 3.00m)
9 feet: min. 3.60 meters (recommended 4.00m)
Make sure that you order cloth in sufficient size, because on customer's request cut cloth is excluded from the exchange and revocation.
