Overview The Simonis 760 and 860 billiard cloths are world-renowned for their excellent quality and durability. These cloths offer first-class playing characteristics and are the preferred choice for professional players and tournaments worldwide. Each cloth is made from high-quality materials and undergoes strict quality controls to ensure the best possible playing surface. Simonis 860 - Material: 90% wool, 10% nylon - Speed: Moderate (slower than 760) - Use: Ideal for pool tables - Features: - Balanced speed and control - Greater resistance to wear and tear - Excellent consistency and durability - Available in various colors Advantages of Simonis billiard cloths - Durability: Both cloths are known for their high durability. The quality of the materials and the careful manufacturing ensure that the cloths last a long time, even with intensive use. - Playing quality: The even and smooth surface of the Simonis cloths enables precise shots and a consistent rolling behavior of the balls, which ensures a first-class playing experience. - Easy to maintain: Simonis billiard cloths are easy to maintain. Regular brushing and occasional vacuuming keep the cloths in optimal condition. Selection guide - Simonis 760: If you prefer a faster game and have a pool table, the Simonis 760 is the best choice. - Simonis 860: For players who prefer a slightly slower game speed and a more robust cloth, the Simonis 860 is ideal. It is excellent for pool tables. Customer reviews - "The Simonis 760 is the best cloth I have ever used. The speed and precision are unmatched." - Max M., professional pool player - "With the Simonis 860 I experience a perfect balance of speed and control. It is incredibly durable and always feels like new." - Lisa K., recreational athlete Cut cloth is from the U
